

## Crystal Airport- Air Traffic Control Tower Tours

As pilots, we all have seen Control Towers from the outside. Now is your chance to see a tower from the inside! This tour is especially geared to pilots or others with previous aviation flight operations knowledge.

**Directions:** Crystal airport entrance road and Thunderbird Aviation are located on the Southwest corner of the Crystal Airport just off Highway 81. The group will meet at Thunderbird Aviation Crystal before proceeding to the control tower for the tour.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
